Dir Sirs,

In response to your California Public Records Act Request dated January 4, 2019 regarding social media monitoring software packages, the San Diego Harbor Police Department advises it does not utilize such software or service agreements designed to monitor social media.

The Harbor Police Department does not have documents or correspondence regarding possible or planned acquisition of social media monitoring software packages or service agreements.

The Harbor Police Department does not have existing or proposed usage policies regarding the use of social media monitoring software packages or service agreements, to include related protocols, related training documents, related data storage procedures and related prohibited activities.

The Harbor Police Department has not been and is not involved in litigation involving or referencing use of social media monitoring software packages or service contractors.

If you require any further information or if you need any clarification, please feel free to contact me at my office, (619) 686-6524.

Thank you,
